

DROP-OFF AND PICK-UP PLAN

MORNING DROP-OFF

Option 1 - Drive Through

- **Preschool** drop-off is 7:00-8:30; families may enter and exit on Clay Avenue.
- **K-12** drop-off is 7:30-8:00. Elementary families will form a single morning drop-off line. It expedites the process if elementary children are positioned on the passenger side of the vehicle. Parents of elementary students should remain in their vehicles. The middle school safety patrol will provide assistance with unloading cars. Elementary students will sit with their class in the gym until 7:50. Middle School students will be seated on the gym bleachers until 7:50. Senior School will wait in the cafeteria until 7:50.

Option 2 - Parent Fellowship

- All parents are welcome to enter through the north portico from 7:30 - 7:50 and fellowship in the coffee shop/atrium area. Students may choose to stay with a parent until the 7:50 bell rings. At 7:50, students will walk through the wooden, double doors to their classes. Parents may remain in the atrium or exit the building.
